

# GNB Vendor Listing

Release Date - September 2018

## American Express Compliant Vendor Listing:

This American Express compliant vendor listing for card manufacture and personalisation is provided solely for use by American Express Issuers and any Issuer using this list does so at their sole risk. Every endeavour is made to keep the listing current as per the release date detailed. American Express disclaims any and all liability of any nature relating to or arising in connection with the use of this compliant vendor listing.

In order to be deemed compliant, a vendor must have satisfactorily completed a historic internally conducted physical security review (PSR) with Amex Global Securities (Pre:2017) or have satisfactorily completed an annual physical and/or logical PCI card production review with an Accredited Security Assessor (ASA). In addition, effective 2017, all vendors must complete an Attestation of Compliance (AOC) with an ASA using the most current version of the PCI requirements.

Vendors without a complete and current AOC on file with AEGNS will be deemed non-compliant and are highlighted with the appropriate notification in red text. PLEASE NOTE - In the case of an incomplete AOC, Issuers are responsible for contacting the vendor to fully understand their level of non compliance.

Vendors with a complete and current AOC on file with AEGNS will be deemed compliant and be listed without the appropriate notification.

NOTE: An AOC only provides information based on the security controls in place at a single point of time. To be considered current, the AOC must have been provided within the last year. Having a current AOC on file is not a guarantee that the vendor is currently compliant, and it is the Issuer's responsibility to evaluate and monitor a vendor's status.
